

# FOCUS #428

An update from your Lib Dem FOCUS team working in Broughton, Broughton Gate, Brooklands, and Moulsoe.

Brought to you by Sam Crooks, Nana Ama Ofori-Atta and Wing Tsang.

**Delivered in Broughton, Broughton Gate, Brooklands, and now Moulsoe, since 1979.**

## Keeper's Place

Sam and Nana met with council planners to discuss the traffic issues caused by the projected Keeper's Place proposal. The council advised highlighting the importance of linking all MK East sites, and approaching the four developers involved in MK East - Berkeley Homes, Bloor Homes, Hallam Land Management, and Gallagher Developments, to see if they will work together to build an access road into the west of Keepers Place.

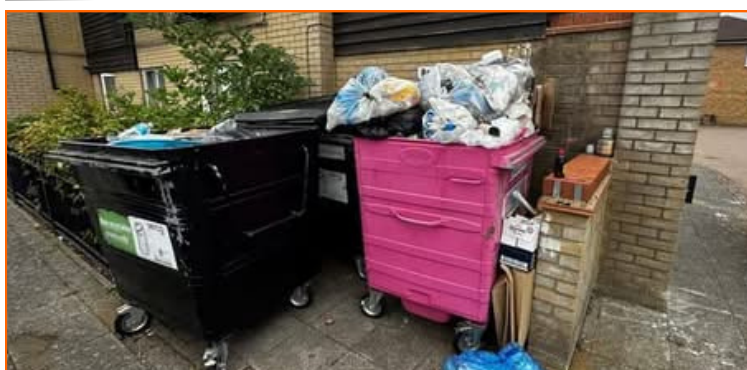

Thanks to residents' support, the petition has over 800 signatures and will be presented to the council by Wing in January. In total, our petition has caught the attention of local and national media outlets in Milton Keynes, Express, MSN, and multiple social media community pages. Help us reach 1,000 by 21 January 2026.

To sign the petition, visit [www.focusteamlive.co.uk](http://www.focusteamlive.co.uk). If you want to leave a comment that can be quoted, email [focusteam@live.co.uk](mailto:focusteam@live.co.uk) with the subject line 'Keepers Place Quote'.

## 2050 Creative Competition

Children and young people in Broughton or Brooklands, or who go to school there, are invited to show what they think Milton Keynes will look like in 25 years. They can share their vision in any creative way they like. The deadline is Monday 19 January 2026 at 5pm. Winners and schools will be celebrated in February 2026. For more information or to enter, email [focusteam@live.co.uk](mailto:focusteam@live.co.uk).

## A new policy for bins in flats

Nana has secured progress on waste collection in flats. The council has reminded management companies that they are responsible for making sure tenants use the correct bins. If rubbish is not sorted properly, the bin collectors will not collect it. A new policy means the council will now clear any uncollected waste and charge management companies for the work.

## Hello Newport Vale

## A MESSAGE FROM THE FOCUS TEAM

In 2025, your focus team hit the ground running to make sure residents know where to get support. With ward changes bringing Moulsoe into Broughton, Broughton Gate, and Brooklands, our commitment to residents remains the same. We also welcomed Councillor Nana Ama Ofori-Atta and Wing Tsang to the Broughton team, joining Sam.

Thank you to everyone who supported us this year, joined litter picks, or helped deliver leaflets. We will still be around over the holidays, though replies may take a little longer. 2026 will be a tough election year, and we hope you'll stand with us to keep this a Lib Dem ward. If you would like to get involved, join our events, help deliver focus leaflets, or share ideas, please get in touch using the details below. Happy holidays, and see you all next year.

## Help Thames Valley Police

Sam attended the police drop-in session, where officers addressed concerns that they don't act on every report. They explained that many photos and videos sent in aren't clear enough to use in court, but every report is logged to build an intelligence picture. This helps them know where and when to step in, which is how they secure convictions.

Here's where to report a crime:
