

FOCUS #429

An update from your Lib Dem FOCUS team working in Broughton, Broughton Gate, Brooklands, and Moulsoe.

Brought to you by Sam Crooks, Nana Ama Ofori-Atta and Wing Tsang.

Delivered in Broughton, Broughton Gate, Brooklands, and now Moulsoe, since 1979.

What should we focus on in 2026?

Happy New Year and welcome to the first FOCUS of 2026! New year often brings new ideas.

We want to hear directly from you about what matters most in your area. Your ideas help shape what we work on and where we push the Council to act. Take a look at the examples on the right-hand side. What else matters to you? Tell us on Messenger or email us at focusteam@live.co.uk, or text us your thoughts at [07803 036 656](tel:0780303656).

Reducing crime?

Add speed cameras?

More litter-picking?

Better waste collection in flats?

A new youth club in Brooklands?

Repairing potholes?

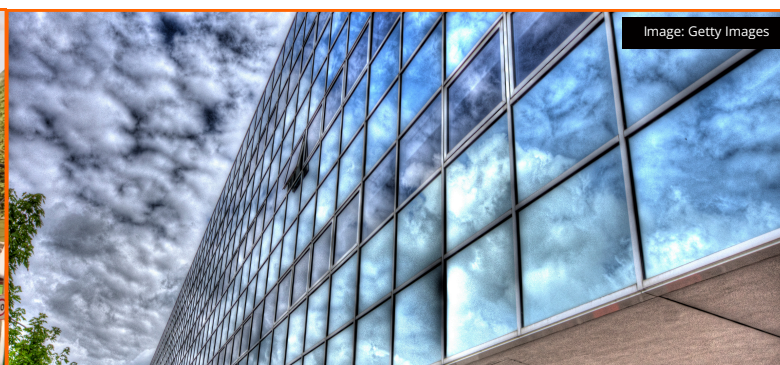

New 'super' recycling centre.

The household recycling centres at Newport Pagnell and New Bradwell will close once the new super-tip in Old Wolverton opens.

This is expected towards the end of 2026.

We are pressing the Council to plan ahead for a new super-tip further east, as new homes are built in Newport Vale and Elverby.

What will MK look like in 2050?

Children and young people who live in Broughton or Brooklands, or go to a school there, are invited to enter a creative competition to tell us what they want Milton Keynes to look like in 25 years.

Tell us in any way you like!

Deadline Saturday 31 January 2025. To enter, email Nana or Wing at focusteam@live.co.uk
