LIB DEM - SAM, WING AND NANA - YOUR NEW LOCAL COUNCILLORS

Thank you to everyone who voted for us in the local elections in May. We are very grateful for your support and trust in us.

So we are proud to have been chosen to represent Broughton & Moulsoe. And remember - we are here to serve **all** our residents, regardless of how you voted.

Bloor calls it Newport Vale. Berkeley calls it Eastbrook Village.

... but they are officially named Ouzelmere and Elverby.

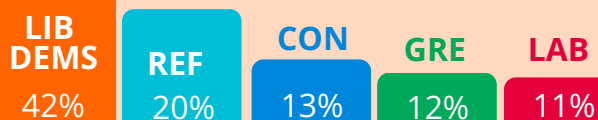

These names are also used by the City Council, Parish Council, Royal Mail, the NHS and school authorities, so those are the names we will be using.

Moulsoe

MK Council says the 20mph traffic calming scheme through the village is planned to go ahead this autumn.

Consultation drawings are currently being prepared. This will follow the planned road resurfacing works this summer. Thank you to the Parish Council for its relentless pressure in making this happen.

Northfield Roundabout

Nana crosses these lights most days and says traffic flow has improved, including shorter waits leaving Brooklands. The next stage is linking the lights with J14 signals, with night works planned over the summer for around 8 weeks. Problems? Email us - focusteam@live.co.uk

The lorries are back

There is increasing HGV traffic around Brooklands despite the existing ban, except for access. The issue remains a lack of enforcement.

Sam has reported this lorry to the Council and Police and will follow up on the action taken.

Thank you to the resident who sent us the photo. Unauthorised HGVs will only stop if drivers know enforcement is taking place.

Hello... new Mayor

Wing, Sam, and Nana attended the first monthly Council meeting following the local elections.

The evening also saw Councillor Paul Trendall elected as Mayor of Milton Keynes for 2026–27. It was Nana's first meeting of the new council as councillor for Broughton and Moulsoe, Wing's first public event as a councillor, and Sam was all smiles as usual.

Racers in the area

Racers continue to be an issue on Fen Street in Brooklands and the new roads around Moulsoe. Wing is speaking with the Police about how residents can help gather the evidence needed for enforcement, while also pushing for a more balanced approach that tackles dangerous driving without unfairly targeting responsible car enthusiasts.

Imperial Crescent play area

Places for People still have not delivered this promised scheme. Parents are worried because children have nowhere safe to play and have to play in the streets. We've contacted P4P's Regional Director and will share more updates soon.
