Cllr Ben Adewale focuses on Policing

Ben Adewale is the MK City Council representative on two important Thames Valley Police (TVP) panels:

Stop and Search Scrutiny Panel

Ben participates in independent community oversight of the police stop and search encounters. He reviews **Body Worn Video (BWV)** footage of police interactions with members of the public, assessing whether officers conduct searches lawfully, fairly, respectfully, and in line with professional standards. He provides constructive feedback that is shared with officers to support reflection, improve practice, strengthen accountability, and enhance public confidence in policing.

Police and Crime Panel

Ben contributes to the independent scrutiny and oversight of the Police and Crime Commissioner for Thames Valley, examining the Commissioner's decisions, priorities, and performance to ensure effective governance, accountability, and value for money in policing across the Thames Valley. He helps review policing strategies and supports the Police and Crime Commissioner in delivering efficient, transparent, and community-focused policing that meets the needs of residents.

Liberal Democrats are the largest Party on Milton Keynes City Council

LOCAL NEWS and ACTION

There has been substantial progress on the two main areas of concern for Walton residents since the last Focus was printed and distributed (*see below*).

MENTAL HEALTH STRATEGY
The first draft of the Milton Keynes Mental Health Strategy will soon be available on the MK Council website.

EXPANDED DOCTORS SURGERY
More primary health care will be delivered at the Walnut Tree GP Surgery, funded by housing developers as required under planning agreements.

A super quick response from Ben when a resident reported a dangerous displaced BT inspection cover in Walnut Tree. The cover was repositioned the next day.

Browns Wood

*Since the last Focus newsletter **Ben and Duncan** have reported dozens of potholes, grafitti, litter, white lines, overgrown hedges etc. Here is the newly resurfaced **Browns Wood Roundabout** which has has been in a terrible condition for such a long time.*

*Duncan is a member of the **Bucks and Milton Keynes Fire Authority** and regularly visits local fire stations, including Broughton and West Ashlands. Both stations have been involved with recent major incidents such as the Bedford train collision and the fire at the Pink Punters club in Bletchley.*

If you notice issues in your street that need fixing, please let us know by completing the details on this survey or if urgent, email us with the details and location.
