## Welcome to Ouzel Valley ward

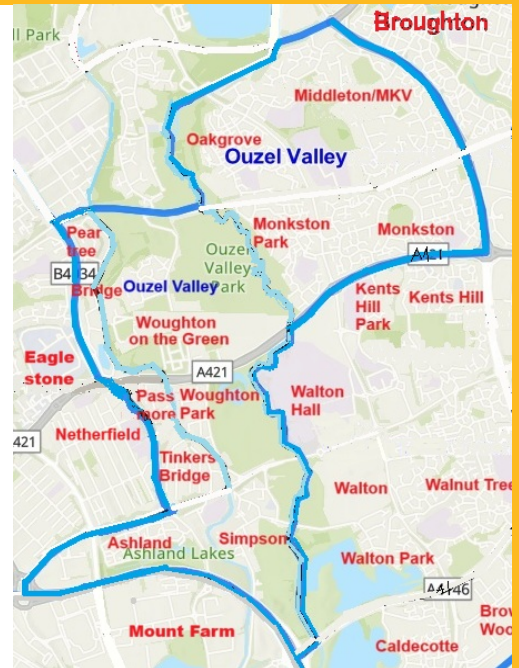

The Boundary Commission has proposed a new ward, Ouzel Valley, for MK Council, covering the area outlined in blue on the map, and the Lib Dem Focus teams are changing over now, so that you know us by the time you have to vote next year.

So it's **Goodbye**, with many thanks, to the teams from **Campbell Park** and **Old Woughton**, **Broughton** and **Monkston** wards.

And **Hello** to the **Ouzel Valley** ward team:

## Wanted: More Dentists!

Lib Dems in Parliament are keeping up the pressure to reform NHS dentist contracts. Over half of MK adults have not seen an NHS dentist in two years, and over a third of children have not seen one in the last year.

Lib Dem MP Daisy Cooper says "Many, many people are struggling to find a dentist they can afford. In children, dental problems due to a lack of a dentist was the main reason for admission to hospital! We cannot afford this damage. The Government must reform the system so that more dentists take NHS work."

## New Night Shelter

MK council is opening a new night shelter for homeless men and women at the old Salvation Army building on Fishermead. There will be support to help the residents tackle the problems that have led to their being homeless. If you see someone sleeping rough, please report it to Streetlink [www.streetlink.org.uk](http://www.streetlink.org.uk). A charity will then investigate and connect them with help if needed. Sadly many of the "homeless" beggars outside our local shops are not actually homeless. Please don't donate to them. Contact Streetlink, and give to the homeless charities instead.

## Adopting Qakgrove

After Jenni Ferrans involved Homes England (who contracted the development of Oakgrove), the adoption of the last sewer on phase 2 was finally agreed, and the whole adoptable area should be in Council hands this summer. The other phases will then follow on.

Please let Uroy know if there is anything the developers have not finished off satisfactorily on Oakgrove, as we need to get things sorted before each phase is adopted.

Let Uroy know of any items the developers haven't finished on Oakgrove.

## Whose Land?

Many thanks to the Old Woughton Parish litter pickers who removed 4 sacks of litter from among the trees along the path by the Church in Woughton on the Green recently. Jenni Ferrans is working to trace the owner of the land to get the larger items cleared.

## Clearing Up

Jenni Ferrans has requested a new nameplate in Langham Way, Ashland, but it'll be a long wait as Labour have reduced the budget. She's asked Dott to remove the broken bike carrier.

## Fill that Hole!

Macsene Isles-Ahite has asked the council again to fix the remaining potholes along Lilleshall Avenue after only a few got filled last month.
