

# Our priorities for 2026 onwards

*One People, One City  
One Community*

## More housing that you can afford to rent or buy

Affordable housing to buy as well as to rent

Pressing landlords to meet their maintenance commitments

Lobbying the Government for more funding for affordable housing and an increase in housing benefit rates

## A mental health strategy to get help to local people

Supporting Parish Councils, community groups and charities to work together with the Council and the NHS to provide help more quickly

## Help with the cost of living

The "Library of things" - borrow equipment at low cost

Advice for home-owners on cutting energy bills, improved homes for council tenants and help with landlords

Supporting charities providing low-cost food, clothing, uniforms & toys

### Uroy Clarke

Uroy Clarke is a head of a foundation year university team. A councillor for 11 years, he encourages people to take part in local and national government decision-making.

Locally he wants more good quality childrens homes for local children in care.

He's given ward budget this year to the Arthur Ellis charity to provide mental health help for local children.

And he's given ward budget to Willen Hospice for their outreach care service to people living with terminal illnesses at home.

### Jenni Ferrans

Jenni has been a councillor for 20 years, specialising in housing and planning.

She's got the Council to demand more family homes from developers and to include affordable homes to buy as well as to rent in future developments.

She helped get funding for a feasibility study for a new balancing lake to reduce flooding.

She has also persuaded the Labour Council to prepare for the new Renters Rights Act to make sure that private tenants will be able to get help from the Council from day 1 when it comes in in May.

She's given ward budget to the Arthur Ellis charity for mental health help for children and to the hygiene bank who provide soap, toothpaste etc. for people in need.

### Macsene Isles-Ahite

Macsene Isles-Ahite is a local Parish Councillor where she works to help young people thrive. This year she has helped to secure funding for mental health charities in the Parish Budget.

She wants to work with residents of all ages to improve life in the community and has met with people at local warm spaces, parish events and other community events.

In the meantime, she has worked on improving the local environment, working with Oakgrove School to reduce litter along the H7.

She's also had streetlights and potholes fixed and graffiti, litter and fly-tipping removed from across Ouzel Valley ward.

Lib Dems - listening - caring - working - all year round

IT'S CLEAR CHOICE HERE: **LIB DEM** OR CONSERVATIVES

More and more people are backing Uroy, Jenni and Macsene. They know the Lib Dems will fight to get things done in our area.

Labour and the others always finish in a poor third and fourth here. A vote for them will just help Reform UK win.

## GETTING THINGS DONE WITH YOUR LOCAL LIB DEMS

## AROUND THE CITY

### Cleaning Up

**Macsene** and **Uroy** have been cleaning street signs such as this one on **Monkston**.

Please don't rub signs - it damages them. Soak and wipe the mud off.

### Still more to go!

**Uroy** has reported the remaining potholes on **The Green** at **Woughton on the Green**.

### Fix that Sign!

**Jenni** asked for these signs on **Noon Layer Drive, Middleton** to be re-positioned as they block each other from view!

And **Uroy** has asked the Council to get the developer to replace the street name plate at **Yearlstone Square, Ashland**.

And **Jenni** asked the Parish Council to empty the litter bin on **Monkston** near the underpass to **Oakgrove School**.

### Removing the Debris

**Macsene** has had the dead tree removed from **Bridlington Crescent, Monkston**.

### Lighten It

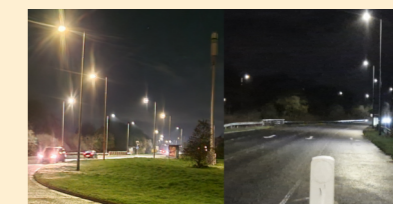

When something gets graffiti'd repeatedly, the Council coats it in anti-graffiti paint to make removal of further graffiti easy. But the battleship grey paint makes underpasses very, very dark.

**Jenni** has asked the Council to consider using other colours, such as white.

### Lights On!

After months of Lib Dem pressure, the Council has started recabling grid roads & underpasses where street lights keep going out - and they've started in Ouzel Valley:

**V8** from H7 to H8 **done**  
**H7** from V10 to V11 **done**  
 To come:  
**H8** from V10 to V11  
**V10** from H6 to H7  
**V10** underpass by Oakgrove school

**H7** outside **V8** outside  
**Monkston** **Peartree Bridge**

### Money Matters

The Council has passed its budget for 2026-27. Council tax will rise by 5% to make up for some of the money the Government is cutting from Council budgets.

**Jenni** says "If we're to safeguard adult and childrens' social care, Council tax has to go up."
